## ANNOUNCEMENTS

**Flu Season / Coronavirus**

Please be aware that Bishop Rhoades and the USCCB as a whole are carefully monitoring the spread and severity of the coronavirus.

For the time being, the same approach should be followed as for flu season: if deemed prudent, any priest has the ability to omit the sign of peace after the Our Father and to suspend distribution of Holy Communion from the chalice at Mass.

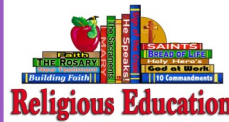

At this time St. Mary's of the Annunciation has no reason to omit the sign of peace or to suspend distribution of Holy Communion from the chalice. We will remain prudent in paying attention to the needs of our parish and adjust if deemed necessary.

Good hygiene by all those distributing Holy Communion is also essential: washing hands before Mass begins or even using an alcohol-based hand sanitizer solution before and after distributing Holy Communion.

**Anyone who is impaired by fever or other flu-like symptoms has no obligation to attend Sunday Mass.**  
In fact, as a matter of charity they should stay home, so as not to transmit illness to others.

**IMPORTANT DIOCESAN ANNOUNCEMENT**

Please be aware that Ted Stanley, a former Maryknoll priest living in our Diocese, who advertises his availability for baptisms, weddings, anointing of the sick, blessings, funerals is NOT a priest in good standing in the Diocese of Ft. Wayne/South Bend.

**ADULT EDUCATION CLASS****Sunday Mornings after the 8:30am Mass**

On March 8th the Adult Education Class will begin a new series, by Scott Hahn:

***The Fourth Cup: Unveiling the Mystery of the Last Supper and the Cross.***

"It is the most famous meal in human history but do you really know the foundational importance of the Last Supper? How did Jesus death on the cross definitively seal the covenant with his people? The keys to understanding Christ's life, death and resurrection are revealed in this series, "The Fourth Cup". Scott Hann and Mike Aquilina explains how Christs sacrifice on the cross fulfills the traditional Fourth Cup of Passover. By spanning old and new covenants, they explore the sacramental underpinnings of these events and shed new light and meaning on the Paschal Mystery of Jesus Christ."

## Spark Corner

Around the dinner table one night this week, put your phones away and spark a conversation with the following topic:

*If you could instantly become an expert in something, what would it be?*

**Did you know that St. Catherine of Siena instantly became an expert in our faith? Her wisdom was infused, which enabled her to understand divine truth and the mysteries of faith. Because of her writings, prayers, and letters, she is one of only four women who have been named a doctor of the church.**
