The COVID-19 plan was also updated to reflect recent changes to quarantine protocols by the Wyoming Department of Health. Up to this point, individuals who test positive or are close contacts for COVID-19 have not been able to attend school/work for 10 days. Per the Wyoming Department of Health, individuals who are positive or close contacts now also have the option of choosing to return to school after 5 days while wearing a mask for the remaining 5 days as long as symptoms have improved and there is no fever for at least 24 hours.

K- Grade 5: Masks wearing is optional but STRONGLY recommended.
