HNCS Board of Director's Opening

We are needing to fill a seat on the HNCS Board of Directors. This position is open and needs to be filled immediately. If are interested, please contact the school, 672-2021. Applications are now available.

HNCS Board Briefs

At its recent meeting the board acted on items that begin to shape the organization looking toward the next school year. The board approved salaries and contracts for the faculty and staff for the coming year and are pleased to announce that all will be returning.

The board also approved a Trimester plan. This brings HNCS in alignment with what has been the plan in the local school district for several years. Instead of four quarters for reporting purposes, this new plan will have three semesters. Parents will be notified soon of this new plan. The board will approve the 2022-23 school calendar at its March meeting.

There is still a vacancy on the HNCS Board, and we will be interviewing potential candidates for the position during the upcoming weeks. The new board member will be announced and seated at our March meeting.

The board is also working on reconfiguring its committee structure to include several non-board members. Perhaps you would be interested in volunteering some time to serve the school and help with a committee. If so, let us know.

Next meeting is March 15, 6 p.m., school café! Stay tuned!

March 22  WY Engineering Program  Grades 2 and 5  9:00–10:00
We have joined the University of Wyoming’s Engineering Program to Celebrate Engineers Week. This is an opportunity for second- fifth grade students throughout Wyoming to bring engineering to life by partnering with professional and college-level engineers to engage in a hands-on engineering activity that will inspire problem solving and innovative thinking.

Holy Name Catholic School alumni, Davis Alden, will be our engineer for the day! What a wonderful experience!

The topic we will study is making a Mint Mobile. Students use the engineering design process to design, build, and test model race cars made from simple materials to explore independent, dependent, and control variables.

March 1  Fat Tuesday  Parents please join us!
The Knight of Columbus will be making pancakes to celebrate Fat Tuesday at 8:15 in the Parish Hall. Please bring the following to the office on Monday or just before 8:00 on Tuesday: Thanks! 😊
   Prekindergarten and Kindergarten- fruit: strawberries, bananas, melon, etc.
   Grade 1-3: Pancake toppings- sprinkles, whipped cream, chocolate chips, etc.
   Grade 4 and 5: Drinks (1 package per student should be enough.)

March 2  Ash Wednesday Mass @ 8:20  Parents please join us!
