Virtue OF THE MONTH:
Patience
Theme: Saint Joseph

Dear Saint Joseph, help me to understand the power of your kindness, so I may more readily practice the difficult but beautiful virtue of patience.

Scripture OF THE MONTH:
Love is patient.
1 Corinthians 13:4

CORONAVIRUS (COVID-19)
Prekindergarten – Grade 5

With parent approval, masks are OPTIONAL.

WDH has updated our guidance for COVID-19 mitigation in K-12 schools and childcare facilities in response to CDC’s new metrics for measuring the risk of COVID-19 in communities and new contact tracing guidance.

The major changes include the following:

- WDH and CDC no longer recommend universal indoor masking in K-12 schools or childcare facilities in counties in the Low or Medium COVID-19 community levels according to CDC metrics. Universal indoor masking is still recommended in counties with High COVID-19 community levels.
- CDC no longer recommends universal case investigation and contact tracing. WDH is no longer attempting to contact all cases unless they are part of certain high risk situations and is no longer routinely issuing isolation and quarantine orders.
- WDH continues to recommend that individuals diagnosed with COVID-19, household contacts of COVID-19, and staff members follow CDC’s isolation and quarantine guidance.

Thank you Knights of Columbus for the Fish Fry.
