The wellness policy includes specific/measurable goals for nutrition promotion using evidence-based strategies.

We promote healthy eating and nutrition education with signage, use of creative menus, posters, bulletin boards, etc.

We have reviewed Smarter Lunchroom techniques and evaluated our ability to implement various techniques.

We place fruits/vegetables where they are easy to access (e.g. near the cafeteria cashier or near the front of the line).

EVERYONE GETS FRUIT AND VEGIE DAILY.

We ensure students have access to hand-washing facilities prior to meals.

We annually evaluate how to market and promote our school meal program(s).

We regularly share school meal nutrition information (e.g. calorie, fat, & sodium content) with students and families.

We offer taste testing or menu planning opportunities to our students.

We participate in Farm to School activities and/or have a school garden.

We advertise and promote nutritious foods and beverages on school grounds (e.g. buildings, playing fields, cafeteria).

We price nutritious foods and beverages lower than less nutritious foods and beverages.

We offer fruit and/or vegetables in:

- X WITH EVERY MEAL
- School Stores
- Snack Bars
- À La Carte

We utilize student feedback to improve the quality of the school meal programs.

We provide teachers with samples of non-food reward options.
