

SMA Parent / Guardian

Check Health

Agreement Form

Partnership – Catholic elementary schools are inherently a partnership between the parents and the school. At Saint Michael's we value this greatly. We request parents agree to the importance of monitoring your child's health daily. Most importantly, this means that children who are experiencing symptoms – such as fever, chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, diarrhea, parents need to keep their child home until medically cleared to return to school. With parental cooperation in this matter, we will be able to keep our school open and safe.

As a parent/guardian, I accept this duty to check the health of my child/children in the morning of every school day of the school year. I will check for symptoms – such as fever, chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, diarrhea and will not send my child/children if experiencing the above signs. I pledge support for this mission of this school and by enrolling my child I commit myself to uphold this agreement every day before I send my child / children to SMA School .
