About the Race

We are excited to announce that our **20th annual Race for Education** will take place on Thursday, May 1st. This Race serves not only as an important fundraiser, but also as an opportunity for our school community to celebrate our successes through the last several years. St. Jerome was recently named a School of Distinguished Instruction by the Archdiocese of Philadelphia for the fourth consecutive year, demonstrating school-wide academic growth. Our walking together will be a display of unity and thanksgiving. We continue to be committed to providing excellent spiritual and academic experiences for our students.

Our Goal

With your support and generosity, we hope to raise **\$25,000 for 2025!** All monies raised directly benefit the children of St. Jerome. With your generosity, we can continue our commitment to excellence here at St. Jerome School. Race information is also available on our school website at <https://sjsphila.org/race-for-education>. We kindly ask that all donations be submitted by **Tuesday, April 29th** so that our totals can be tallied.
