Two Thousand One Things - Court Ave Maria #2001 Catholic Daughters of the Americas Newsletter, June 2022

"Catholic Daughters of the Americas strives to embrace the principle of faith working through love in the promotion of justice, equality, and the advancement of human rights and human dignity for all."

On Sunday, May 8, the Church next to mine had the tabernacle with the Blessed Sacrament inside, stolen during the night. Someone asked me: "Why? Why would the Lord allow Himself to be taken?"

Well, the timing is no accident. At a time in our country when children are violently taken from the safest, most sacred space for them, the womb, so too the Lord allowed Himself to be taken from the safest, most sacred space we have for Him, the Church. What was supposed to be a place of security and life became a place of attack and emptiness.

Jesus is willing to suffer with the children who lose their lives to abortion and we should be willing to suffer with them, too.

Keep defending the little ones. It will cost you. They might take you.

That's okay. You'll be in good company. They also took the babies. They also took Christ.

Saint of the Month
St. Rose of Lima
August 23rd - June

Historians remember St. Rose of Lima for her piety and chastity. Born in 1586 in Lima, Peru to Spanish colonists, and named Isabel Flores de Olivia, she was exceptionally beautiful.

Her beauty was so great that she was nicknamed "Rose," a name that remains with her to this day. According to legend, a servant had a vision where her face turned into a rose. At her confirmation in 1597, she officially took the name of Rose.

From an early age, Rose wanted to become a nun. She often prayed and fasted in secret. She performed secret penances, some of which were painful and severe. She performed daily adoration of the Blessed Sacrament and took daily communion.

As a young woman, her beauty began to attract suitors. To deter these men, St. Rose marred her face, rubbing it with pepper to make it blister. She cropped her hair short.

Her parents opposed her plan to take a vow of chastity. This resulted in a clash of wills, because her parents wanted her to marry. Her father eventually relented and gave her a room to herself.

St. Rose kept herself cloistered in her room, spending long periods in prayer. It was said she slept only two hours per night so as to have more time for prayer.
