### Prayer for Beginners | Peter Kreeft

Peter Kreeft brings his unique insights to the most important area of our spiritual lives, prayer. He claims he himself is still a beginner in prayer, and this book is for all those, like him, who feel that they struggle to pray well, but desire to become better at it. Thus, Kreeft offers simple, but profound advice and practical steps for developing a prayer life based on the time-tested wisdom of the saints and great spiritual writers, especially the principles found in Brother Lawrence's classic, *The Practice of the Presence of God*.
