This week's recommendation:

Mother Teresa | No Greater Love

Twenty-five years have passed since the death of Mother Teresa of Calcutta, sparking a renewed interest in this spiritual giant of the 20th century. Filmed on 5 continents and featuring unprecedented access to both institutional archives and the apostolates of the Missionaries of Charity, this film reveals not just who Mother Teresa was, but how her singular vision to serve Christ in the poor continues to be realized through the Missionaries of Charity today. This is far more than a documentary film. It is at once a soaring tribute to a spiritual icon, a powerful witness of authentic Christian charity, and a guidepost for all who seek hope in our turbulent times.

In the Archbishop's pastoral letter "*You will be My Witnesses*" Archbishop Hebda selected small group formation as the first priority for parish implementation. Parish Evangelization Cells System (PECS) is a specific method of small group formation the Archbishop has chosen to drive this renewal of evangelizing at the parish level. It has been shown that by weaving small groups into parish life, combined with perpetual Eucharistic adoration and the liturgy, parishes flourish and come alive.

"[A]ll day long, both at the temple and in their homes, they did not stop teaching and proclaiming the Messiah, Jesus" (Acts 5:42)
