## NEW HFA & HFHE SCHOOL YEAR—NEW BEGINNINGS

**Holy Family Academy** has had decades of first days of school where we have welcomed students and teachers into the building. Yet, whether this year marks the launch of a new school experience or a return to something known and comfortable, a fresh school year affords everyone an opportunity to make a new beginning. Students can start fresh by developing new and better study habits, building new friendships or improving their discipline and teamwork during athletics. Teachers and administration have an opportunity to put their increased knowledge and experience into practice.

**Holy Family Home Educators** are also starting a new school year with traditions of their own. These days may look like a turn from summer freedoms to a more structured routine; perhaps a move from reading light, humorous stories to reading more substantial novels and histories. Opportunities to join friends at our homeschooling co-op to enjoy adventures in the arts and sciences with the advent of the school year.

What a blessed opportunity each of us has to refocus our learning and dedicate our time with even more intention. Families can also use the new school year to start again on building family unity or to emphasize making Sunday a day dedicated to the Lord and quality family time!

Let us all resolve to take full advantage of this new school year to improve and to make a new beginning so that we can refocus and redouble our efforts to be God's faithful sons and daughters.

Sincerely yours in Christ,  
Fr. Mark Moriarty
