## COMMUNION MOTET

### *Ave Maris Stella* Oreste Ravanello (1871 - 1938)

Hail, star of the sea, loving Mother of God,  
and also always a virgin, nappy gate of heaven.

Receiving that Ave from Gabriel's mouth  
confirm us in peace, reversing Eva's name.

Break the chains of sinners, bring light to the blind,  
drive away our evils, ask for all good.

Show Yourself to be a mother, may He accept prayers through  
You, He who, born for us, chose to be yours.

O unique virgin, meek above all,  
Make us, absolved from sin, gentle and chaste.

Keep life pure, make the journey safe,  
So that, seeing Jesus, we may always rejoice together.

Let there be praise to God the Father, glory to Christ in the  
highest, to the Holy Spirit, One honor to all Three. Amen.

## THE GRASS IS ALWAYS GREENER ON THE OTHER SIDE OF THE FENCE

This has definitely been true for our parish greenspace near Crusader Hall the past several years!

The ideal is to offer children of the parish and school something other than blacktop to play on. Grass fields exude a sense of life and are much more forgiving when a child falls. However, our enclosed grassy area has been more a field of nightmares than of dreams.

By my reckoning, we are now on our fourth attempt at growing healthy grass in the field. Looking back at old satellite pictures, we can see a definite pattern of sodding or seeding followed by the inevitable wear and tear that leads to dirt patches. This past year, the space became a dirt lot that revealed the cause of the problem. The hard-packed earth was, in fact, more akin to class-5 mixed rubble than good, old-fashioned dirt. The grass simply could not grow roots.

In July, a respected and recommended company with the needed heavy duty equipment took away about six inches of the undesirable earth and brought in the equivalent amount of soil conducive to a grassy field. The cost is substantial, just over \$80,000. Some of the money came from what was left in the original fund to build Crusader Hall. The remainder is from the building fund. Please remember that we have spent approximately \$8,500 over the last few years in failed attempts-not including the original work in 2020. It is always preferred to take the right course of action as soon as possible in order avoid spending good money on future failed attempts.

To give the new sod an opportunity to grow healthy roots in the short term,

the 2025 Holy Family Fall Festival will be temporarily moved to the northern part of our campus around the church. Please join me in thanking the festival committee for their flexibility, patience and creativity, despite this year's change in location!

## HOLY FAMILY CENTENNIAL: HELP US COMMEMORATE THE PAST

2026 marks Holy Family parish's 100th anniversary, and we are eager to celebrate this momentous occasion as a community. With preparations for the Centennial underway, we are gathering information, personal stories, and media (photos, newspaper clippings, bulletins, etc.) from the parish's past to create a comprehensive history of Holy Family.

We need your help to accomplish this goal! Scan the QR code or follow the [link](#) to share stories and photos from your time at Holy Family or that of a family member. If you would prefer a paper copy of this form, visit the parish office during regular hours.

We are especially seeking content from the 1920's, 30's, and 40's, including photos of the original church building that was later turned into a community center. Please note that submitting content does not guarantee that it will be used in our Centennial communications.

Thank you for your help in gathering the information needed to form a history of Holy Family parish! I look forward to celebrating our community's Centennial with you.

Sincerely yours in Christ,  
Fr. Mark Moriarty
