

The Jacqueline A. Nazzaro-Wuestefeld Scholarship

This scholarship is given in memory of Jackie Nazzaro-Wuestefeld, who passed away from cancer in February 2020.

Jackie was a strong believer in Catholic education. Both of Jackie's sons attended SAS. Jackie was a force larger than life. Her influence ran deep and wide – and quiet. Jackie had a power that few have. A natural but unknown ability to do good for countless people, without anyone else ever knowing it. She always made you feel like you were the most important person in the world.

Those who loved her and were loved by her want to make sure her legacy lives on with this annual scholarship.

This year's student is kind, a good friend, and a hard worker exemplifying humility and kindness. This scholarship will be for one year, to be applied to tuition at the student's high school.
