Stewardship Thought: "The stone the builders rejected has become the corner stone..." - MATTHEW 21:42

Jesus was the corner stone and He was rejected by the religious and political leaders of his day, as well as ordinary citizens. Living a stewardship lifestyle may cause you to be "rejected" by others in today's society. For example, saying grace before a meal in a restaurant may attract some strange looks from some. But to others it is sign that God is alive and well!

On **October 17th** we will open our "Mass Book" for year 2018. Mass Intentions and Memorial Candles will be scheduled at the Parish Office from 8am - Noon and 1pm - 4pm.

Pro Populo Masses will be offered on Sundays, by rotating between 8 am and 10:45 am Masses as the only Mass intention. On Holy Day of Obligations, one of the Masses will also be celebrated *Pro Populo*. A single Mass intention may be scheduled for Sunday Masses at **8 am** or **10:45 am**, if they are not already scheduled as a *Pro Populo Mass*. Individual Mass intention can be also scheduled for **9 am Mass** on **Mondays, Tuesdays** and **Wednesdays**. In our parish, "Collective" Mass intention days are **9 am Mass** on **Fridays** and **4:30pm Mass** on **Saturdays**. A parishioner can schedule only **two (2)** Masses per year on first come first served basis. Scheduling of Masses has to be done in person on the 17th. **After January 1, 2018** parishioners may schedule additional Masses in addition to his/her two previously scheduled Masses. How Christians are Kept away from Christ

A couple of days ago I have received a following story and I would like to share it with you.

Satan called a worldwide convention. In his opening address to his evil angels, he said, "We can't keep Christians from going to church. We can't keep them from reading their Bibles and knowing the truth. We can't even keep them from conservative values. But we can do something else. We can keep them from forming an intimate, abiding experience in Christ. If they gain that connection with Jesus, our power over them is broken."

"So let them go to church. Let them have their conservative lifestyles. But steal their time so they can't gain that experience in Jesus Christ."

"Here is how I want you to do this. Distract them from gaining hold of their Savior and maintaining that vital connection throughout their day."

"But how shall we do this?" shouted one of his angels?

"Keep them busy in the non-essentials of life and invent numerous schemes to occupy their minds," he answered. "Tempt them to spend, spend, spend, then borrow, borrow, borrow. Convince the wives to go to work and the husbands to work 6-7 days a week, 10-12 hours a day, so they can afford their life-styles. Keep them from spending time with their children. As their families fragment, soon their homes will offer no escape from the pressures of work."

"Over-stimulate their minds so that they cannot hear that still small voice. Entice them to play the radio or CD player whenever they drive, to keep the TV, the DVD, their CDs going constantly in their homes. And see to it that every store and restaurant in the world plays music constantly. This will jam their minds and break that union with Christ. Fill their coffee tables with magazines and newspapers. Pound their minds with the news 24 hours a day and invade their driving moments with billboards. Flood their mailboxes with junk mail, sweepstakes, mail order catalogs, and every kind of newsletter and promotional offering free products, services and false hopes."

"Even in their recreation, let them be excessive. Have them return from it exhausted, disquieted and unprepared for the coming week."

"Don't let them go out in nature. Send them to amusement parks, sporting events, concerts and movies instead. And when they meet for spiritual fellowship, involve them in gossip and small talk so that they leave with troubled consciences and unsettled emotion."

"Let them be involved in soul-winning. But crowd their lives with so many good causes they have no time to seek power from Christ. Soon they will be working in their own strength, sacrificing their health and family unity for the good of the cause."

Well, in the end it was quite a convention. The evil angels went eagerly to their assignments, causing the Christians everywhere to get busy, busy, busy and rush here and there.

Has the devil been successful in his scheme? You be the judge.

We all can get too busy in our lives, but busy with what?
Have a blessed week
Fr. Martin

We will meet at **Holy Trinity Church at 9:30 AM on the 14th and will gather together for a light lunch after cleaning.** Sign-up sheets are in the back of both churches, or contact the parish office @ 330-755-9819. Everyone is invited to come help keep our parish beautiful. Confirmation students are encouraged to volunteer to earn service hours! Signing up in advance is helpful so we can ensure that we have enough supplies.

We are hoping to have enough volunteers to complete the following projects:

Washing the outside windows of the rectory
Cleaning of the pews and the inside of the church
The Marble on the Altar

Please bring some buckets and towels!!
