Stewardship Thought: "For God did not give us a spirit of cowardice but rather of power and love and self-control."
 (2 Timothy 1:7)

Many of us compartmentalize our Faith, we bring it out only when we attend Mass or when we attend a parish event. Being a good steward requires discipline and striving to put God first in everything, all the time. The next time you are at a neighborhood party, at work or out shopping, would your actions signal to others that you are a good and faithful servant of our Lord?

My fellow parishioners,

I am, as always, humbled by the support we have received from you over the course of the last year. This has been an important year for us. With your generous support we have been able to help over 500 households and 2200 people through our Parish Food Pantry. The need in our community is truly great, but as always your response is as well. Thank you as always.

Joann Burgmyer
President
Christ Our Savior Chapter
St. Vincent de Paul

Beginning this weekend, our parish will be participating in ***First Step for Change***, a project sponsored by Catholic Charities to collect money in order to assist low-income pregnant women and families with food, formula, clothing, diapers and other items essential to a child's health, safety and well-being. Each family interested in participating in *First Step for Change* is asked to pick up an envelope from the back of the church after Mass. This collection is slightly different than last year as we are using envelopes instead of baby bottles. This collection method is more cost effective and better for our environment. The remainder of the collection process is the same. Take an envelope, place it in a common location in your home, and fill it up throughout the month. All money collected by our parish will help to meet local needs. Donations will be collected at the end of the month. Thank you.
