COMMUNION

For The Homebound

If you are homebound and would like to receive Holy Communion, please contact the parish office @ 330-755-9819 and we will make arrangements for someone to come to your home.

A Note From the Pastor

We Are Looking For a Few Good. . . women and men, young women and young men. We are in the process of replenishing our depleted corps of altar servers. We are very, very grateful to the young men and women who have been doing all of the hard lifting for the parish, both at Holy Trinity Church and at Saint Nicholas Church. Now would be a good time to give them some assistance by volunteering to serve at the weekend liturgies here at Christ Our Savior Parish. Age is not an obstacle for those who have always wanted to serve at the altar but never got a chance when they were younger. That goes for both women and men who have had a desire to serve during mass. Also, we are looking for grade school or high school students who are also interested in this liturgical ministry. It takes just a session or two of training, certainly no more than that, and we can begin scheduling your service to the parish. Please call the parish office if you are interested or if your daughter or son, grandson or granddaughter is interested. Your help would be most graciously appreciated by the entire parish. Even I am able to get around the altar without incident so it can't be that hard!!

If you have always had a secret desire to be a world-renown chef, we can use your help at the bingo kitchen on Thursday morning. If, as is more likely, you have just retired and are looking for something to do or if you have had some free time open, your service in the kitchen at Thursday's morning bingo would be greatly appreciated. Please call the parish office if you are able to help on Thursdays.

On Friday, October 13, 2023, Bishop Bonnar will celebrate the Red Mass for all of the members of the judicial and legal professions. Anyone who works in these professions is invited to the mass at Saint Columba Cathedral at 12:10pm on that Friday. This is a traditional "Red" mass sponsored by the Diocese of Youngstown and the St. Thomas More Society. For further information, call Monsignor Robert Siffrin at the Diocese of Youngstown, 330-744-8451 . . . Thanks, Fr. R.

STEWARDSHIP

Managing God's Gifts To Us

"Do nothing out of selfishness; rather, humbly regard others as more important than yourselves..."

Philippians 2:3

Pride and ego are hard things to control. We see how others act or dress and think we are superior to them. We idolize our own self-image. But, if we truly believe everything is a gift from God, we recognize all the people that God has put in our lives as gifts! We are grateful for how they enrich our lives. Pray every day for the people in your life: your family, your friends and those who make you angry.

Healthy Futures

For Residents of East Palestine
and Surrounding Communities

Who we are:

We are a team of researchers at Case Western Reserve University in Cleveland Ohio invested in building relationships with you and your neighbors to get to the bottom of the long-term health effects of the train derailment.

What we do:

We are interested in learning about the mixture of chemicals involved in this disaster and how it may have impacted your body by measuring genotoxicity. This means studying changes to your DNA from chemical exposure as some changes can increase your risk for certain diseases in the future. This will help us understand the total community's exposure to potential health concerns.

Steps to Participate:

- 1.) Visit healthyfuturesresearch.org/events or scan the QR Code below.
- 2.) Answer the screener to find out if you are eligible.
- 3.) If you are willing and eligible, you will be directed to take a survey and select your sample types.
- 4.) Our team will review your answers and contact you about sending in your samples.

How YOU can help:

Join us by completing the survey found at healthyfuturesresearch.org/events or scanning the QR code below. If you are willing and eligible, you will be asked to complete a series of surveys and send us samples of your hair, saliva, nails, and/or blood. In doing so you can earn up to \$115!

WHERE DOES IT SAY THAT?

THIS CONSTITUTIONAL AMENDMENT...

THREATENS PARENTAL RIGHTS

By using "individual" instead of adult or woman, anyone under the age of 18 could have an abortion or make any other reproductive decision without their parents' consent or notification.

PUTS WOMEN AT RISK

Current Ohio laws* require abortion providers to explain procedure risks and ensure access to hospital transfer if needed. These health and safety standards could be seen as a "burden" and be eliminated, making it even less safe for women seeking an abortion.

ALLOWS ABORTIONS THROUGH 9 MONTHS OF PREGNANCY

In U.S. law,** "health" includes age or physical, emotional, or psychological well-being. This means a woman's age or emotional health could be cited to justify aborting a full-term baby. An abortion-providing physician would decide when a baby could survive outside the womb, leaving no clear protections for preborn children.

IS MISLEADING

Referring to "miscarriage care" promotes a myth that a "right to abortion" is necessary to preserve care for miscarriages and ectopic pregnancies. This is false. Catholic hospitals have always provided comprehensive miscarriage care and will continue to do so regardless of the outcome of this vote.

ARTICLE I, SECTION 22

*The Right to Reproductive Freedom
with Protections for Health and Safety*

1. Every individual has a right to make and carry out one's own reproductive decisions, including but not limited to decisions on contraception, fertility treatment, continuing one's own pregnancy, miscarriage care, and abortion.
2. The State shall not, directly or indirectly, burden, penalize, prohibit, interfere with, or discriminate against either an individual's voluntary exercise of this right or a person or entity that assists an individual exercising this right, unless the State demonstrates that it is using the least restrictive means to advance the individual's health in accordance with widely accepted and evidence-based standards of care.
3. However, abortion may be prohibited after fetal viability. But in no case may such an abortion be prohibited if in the professional judgment of the pregnant patient's treating physician it is necessary to protect the pregnant patient's life or health.
4. As used in this Section, "Fetal viability" means "the point in a pregnancy when, in the professional judgment of the pregnant patient's treating physician, the fetus has a significant likelihood of survival outside the uterus with reasonable measures. This is determined on a case-by-case basis"; and "State" includes any governmental entity and political subdivision.
5. This Section is self-executing.
