GOSPEL MEDITATION

Encourage Deeper Understanding Of Scripture

When I was a seminarian almost 20 years ago, a bank vice president taught us etiquette classes. She said, “Gentlemen, please make sure your breath isn’t bad. Take some breath mints before you hear confessions, okay?” We nervously laughed because the proximity that makes breath noticeable (whether pleasant or not) can be a bit awkward.

When Jesus breathes on his Apostles (John 20:22), he must have been within inches of at least some of them. This closeness of his breath has a purpose: the purpose of forgiveness of sins. **“Whose sins you forgive are forgiven them” (John 20:23)**. Why in the world would the almost uncomfortable closeness of his breath forgive sins?

In the Bible, breath is spirit or wind. It comes from above and makes that which is below to have identity. To not have a single identity is to be multiple, divided. The word “sin” comes from an ancient word that means “to split” or “render asunder.” Sin divides us sinners and the world around us; our spiritual “breath” leaves us and our identity splinters. Only breath from above restores. For example, a shattered vase is rendered whole because the craftsman breathes the spirit of the vase back into it when he repairs it. A human being shattered by sin is made whole by the breath of God, breathed by Jesus through his priests. His breath alone forgives sins. It’s always done with his gentle, loving closeness.

— Father John Muir

STEWARDSHIP

“The Advocate, the Holy Spirit whom the Father will send in my name, will teach you everything and remind you of all that I told you.” (John 14:26)

The materialism of our society lures us to concentrate more on what we want than on what God wants for us. The relativism of our world tells us that we should be tolerant of all things, that there is no absolute truth. Pray to the Holy Spirit to transform our lives and to guide our thoughts, words and actions. What you put in your mind, heart, and soul affects your actions. Put good things in and good things will come out.

EVERYDAY STEWARDSHIP

We Are Never Alone

My children want my help sometimes, and other times, not so much. I remember being a teenager and young adult myself. At times, I thought I knew everything. I didn't need help because I was just so darn smart. Truth is, I needed to find my own way. I needed to stretch my wings and prove to myself and my family I could fly. I assume that is what is happening with my own children as well. It just seems so different now that I'm the parent.

Human beings need help. We need community, and we need to rely on one another. At Pentecost, we reflect on Jesus sending to the Church a helper, the Holy Spirit. God interacting with us in this manner means we are never truly alone. We focus most of the time on the Spirit of God as the assistance we need, and we do need Him for sure. However, since it is that very same Spirit that turned us into “Church” from a band of people looking to carry on after Jesus' ascension, at Pentecost we gained more than divine help: we gained each other.

Today, the Church needs help in a profound way. We need to lean on the Holy Spirit to blow through the Church with a profound renewal. But we cannot forget that we have been given each other to lean on as well. We are a gift to each other, and together with the Spirit's help, we are the Body of Christ here on earth. We must be strong and stand for one another. If we do that, this Pentecost will bear fruit that will be with us for many Pentecosts to come.

CHURCH AT HOME COMBINED COLLECTION

Thank you for your support last weekend of the Diocese of Youngstown CHURCH AT HOME combined collection which supports the Catholic Campaign for Human Development, the USCCB Catholic Communications Campaign, and the educational and research ministries of the Catholic University of America and Newman Campus Ministries. If you were unable to give last weekend, please consider giving at your parish today for this important collection.

The closed-door metaphor is front and center in today's Gospel. In fact, it opens with the disciples huddled behind locked doors. They are fearful. Do they not understand that Jesus has risen? Do they not believe the women who went to the tomb to find it empty? Or do they conclude that His body was taken and that He did not rise from the dead as promised?

How are our own doors closed and locked? Do we so intently focus on our own families, circle of friends, work, studies, entertainment that we are blind to the needs of others? Or do we shut ourselves off from God, practicing our faith perfunctorily, because we are afraid of what true intimacy with God would require? Are we like Christ's disciples (except the "beloved one") who abandoned the Lord in His time of need?

Let us pray for the strength to unlock the doors we are hiding behind, open them wide, and walk through to greet the Lord with wide arms. May this be the beginning of a deeper intimacy with Christ, one which fills us with such joy that we can't help but wish to spread His redemptive love, including our support of the Annual Diocesan Appeal.

Thank you to everyone who has already made a prayerful response to the Annual Appeal. As of May 30, **171** families of **Christ Our Savior** have pledged **\$26,020.33** toward our goal of **\$58,600**. This is our share of the \$4,000,000 goal for our entire diocesan family. If you have not yet done so, please consider making your response this week. Materials can be found in the Church or by visiting www.doy.org and clicking on the Appeal button. On behalf of Bishop Bonnar, and all who will be ministered to by your generosity – thank you.

Leaving the Room

I was a full-grown adult before I realized that Pentecost is known as "the birthday of the Church," and it only resonated with me because someone showed up to a church function with cake and candles. Leave it to buttercream frosting to drive home a theological reality I had been missing for 25 years.

I knew what Pentecost *was*, of course. It simply went over my head that, despite all the incredible, world-changing things that had come *before* the moment of Pentecost, prior to this day, the Apostles were just a group of guys in a room. It wasn't until Pentecost that they became the Church.

So what makes the Church...well, *the Church*, capital C? What makes it more than just a group of guys in a room?

It's true, they were a very special group of guys. They had the Truth — capital T. They had borne witness to Christ's miracles, to his life and to his passion and death.

But they were still in that room.

When the time for Pentecost was fulfilled, the Holy Spirit came upon them, and they received graces and gifts that made them fit to carry out the Great Commission. The Truth wasn't enough, even with a capital T. They needed the Spirit — capital S — and more than that, they needed to receive it with the courage and faith necessary to do what needed to be done.

To get up and leave the room.

Because what good is any of it unless they leave the room? What does it matter, the tongues of fire and the miraculous bilingualism and, frankly, the coming of the Spirit, if no one ever hears about it?

The mission is what made them the Church. It's what makes *us* the Church. Without it, we're just a bunch of guys in a room.
