Family Notes At the Annex From the Desk of Mr. Roach

**No School - Monday October 31st - Teacher Conference Day**

Here comes the end of month number two in our school year - my how they are growing and learning.

### **Parking Lot**

Please be careful and patient at dropoff and dismissal times. There are lots of parents and children who need to cross the parking lot to get to the dropoff or pick up spots so please drive slowly and be aware.

**Monday November 21 and Tuesday November 22nd will be early dismissal days to allow for Parent-Teacher Conferences. Your Child's Teacher will be contacting families with information on how to sign up. (Please Note these early dismissal days differ from the Holy Trinity Main Campus Parent Teacher Conference Day Early Dismissals)**

### **School Picture Day**

A retake day will be scheduled for any student who missed the original picture day or if you are not satisfied with the first pictures. We will send home the date as soon as it is scheduled.

### **Cooler Weather**

Fall has arrived and even a touch of frost. Students will have outdoor time each day when the weather permits so, please dress them appropriately for the chillier days. All students need coats. The conditions can change as the day goes on. Layers work best (be sure to label all clothing so we can reunite it with your child if they misplace it.)

### **Emergency Notification System**

We use IRIS (Immediate Response Information System) to send information, reminders and emergency notifications such as weather related closings, delays and early dismissals. We will send out alerts just by email, by email and text message or also by email, text and phone for the most important notifications. The system has been set up based on the information we have from enrollment time which makes it very important for you to let us know if your phone number or email changes. If you have caller ID, the phone calls come from a number in Sugarland, Texas where IRIS is based.
