ST. ELIZABETH OF HUNGARY

FEAST DAY
NOVEMBER 17

SAINT OF THE WEEK

Although her life was short, St. Elizabeth of Hungary (1207 – 1231) is recognized for her love of the poor and suffering, and as patroness of Catholic charities and the Secular Franciscan Order. The daughter of the King of Hungary, she chose a life of penance instead of leisure, which made an impact on the “commoners” she served.

St. Elizabeth married Louis of Thuringia when she was 14. Deeply in love, they had three children. Despite their wealth, she led a life of prayer, sacrifice, and service to the poor and sick under the spiritual direction of a Franciscan friar.

After six years of marriage, her husband died in the Crusades, and St. Elizabeth was grief-stricken. Her husband's family did not look kindly upon her and mistreated her before finally throwing her out of the palace. However, the return of her husband's allies from the Crusades resulted in her being reinstated, since her son was legal heir to the throne.

St. Elizabeth joined the Secular Franciscan Order in 1228 where she cared for the poor in a hospital she founded in honor of St. Francis of Assisi. She died in 1231, but her great popularity resulted in her being named a saint only four years later.

Sin on the Soul

Question: Why do some sacraments leave a character or mark on the soul?

Don't all sacraments affect the soul?

Q&A
SIN ON THE SOUL

Answer: All sacraments mediate grace and connect us to Christ and to the Church. Some sustain us in our faith journey, while others help us heal from the effects of sin. Each one offers a share in God's life, giving us what we need to be faithful followers of Jesus. But some sacraments change us in ways that are irreversible. The three sacraments that leave a character are Baptism, Confirmation, and Holy Orders. We are literally different people because of the effect of the grace of those sacraments. We are changed at the core of our being in such a fundamental way that we can not go back to what we once were.

In Baptism, we are freed from original sin, initiated into the Body of Christ as adopted sons and daughters. In Confirmation, we are given the fullness of God's Spirit, sealed in his grace and gifted with what we need to live a Christian life. In Holy Orders, a priest is marked as an 'alter Christus,' another Christ, and is once and forever a priest who offers sacrifice, forgives sin, and acts in the person of Christ. In these three sacraments, we are conformed more closely to Christ, reflecting his love and truth.
