Saint of the week

Servant of God Mari-Rose Juliette Toussaint, was originally born into slavery in Haiti and later freed in New York City as a young adult. Along with her husband, Venerable Pierre Toussaint, she is remembered for her incredible charity work inside and outside of the Church.

Prayer

Lord God, source of love and compassion, we praise and honor You for the virtuous and charitable life of our sister in Christ, Servant of God Mari-Rose Juliette Toussaint.

Inspired by the example of our Lord Jesus, Juliette worshipped You with love and served Your people with generosity. She attended Mass daily and responded to the practical and spiritual needs of friends and strangers, of the rich and the poor, the sick and the homeless of 19th century, New York.

If it is Your will, let the name of Mari-Rose Juliette Toussaint be officially raised to the rank of saint, so that the world may know this Haitian New Yorker who refused to hate and be bitter, but instead lived to the full commandments of heaven and the divine law of love — love for God and for neighbor. By following her example and asking for her prayer, may we, too, be counted among the blessed in heaven.

We ask for this through Christ our Lord.
Amen.

Can Catholics Gamble?

Q&A
GAMBLE

Question: The Bible

says that Jesus condemned gambling, but I notice that so many parishes have them at festivals and other events. What's correct?

Answer:

Although Jesus speaks of our relationship with material wealth and the very human struggle with greed, the gospels do not include any specific instructions related to gambling. At the same time, the Church is very sensitive to the needs of those who might struggle with an addiction to gambling, and pastoral care should always be offered to those who struggle with this reality in their life.

While it is true that many parish or school communities include gambling or games of chance in festivals and fundraisers (e.g. bingo, roulette, ring tossing, dunking booths, etc.), there is nothing inherently wrong these sorts of events, given they are played fairly and within the limits of reason are not morally objectionable. As the *Catechism of the Catholic Church* reminds us: "Games of chance (card games, etc.) or wagers are not in themselves contrary to justice. They become morally unacceptable when they deprive someone of what is necessary to provide for his needs and those of others" (no. 2413).

As in all things, moderation and a sense of healthy limits should be applied to gambling and games of chance. For those who find themselves living with addiction to gambling, help is available in various 12-step and addiction recovery programs.
