EVERYDAY STEWARDSHIP

Noticing The World Around Us

Have you ever been somewhere public and days later others said they saw you there? You can find yourself surprised that they saw you and didn't say hello. However, at least they saw you. You, on the other hand, didn't even have any idea they were around you. You may have been oblivious to what was going on or those crossing your path on that day. You may have been forsaking that moment thinking about another time to come down the road.

Imagine being one of those who first encountered Jesus as he began his ministry. Would you have noticed? I would like to think that I would have rushed over to him to introduce myself. But on that day when he passed on by I just might have been caught up in life, unaware of all that was intersecting with my place in the world.

An everyday steward strives to live mindfully. The more mindful we are of all that is around us, the more grateful we find ourselves because we take things less for granted and the more open we are to the call of Jesus Christ. Every day Jesus crosses our path in the form of others. They may be in need or they may have a gift to offer us. Either way, without living in the present and taking in all that God has provided for us in the day, we can miss it. I would not want to hear afterwards that Jesus saw me and I was not paying attention enough to what was around me to notice.
