# Welcome

## to St. Elizabeth Ann Seton Catholic Church

If you are new to our Church Family... **WELCOME!**

Please introduce yourself to our ushers and greeters!

We have a little gift for you.

If you have never registered with us, or your information has changed, please fill out a Registration form and drop it in the collection box.

Registration forms can be found in the Narthex, on our website [www.setonparishodessa.org](http://www.setonparishodessa.org) or stop by the office and our staff will be happy to assist you.

With God's grace, we will have 13-14 seminarians beginning this Fall. I am grateful to both God and my brother priests for discipling young men while inviting them to consider the priesthood. With more seminarians, there is a growing need for more material resources. A need on the horizon includes cars that seminarians can use during the semester and summer months. The diocese is looking for generous parishioners to gift drivable vehicles to the diocese to be used by seminarians. We are looking for 1-2 cars. All cars will be inspected by local mechanics to determine their appropriateness for long-distance travel. Cars will be covered by the diocese's fleet insurance.

In Christ,

**Rev. Ryan Rojo, S.T.L.**

*Working to Reduce Poverty in America.*

\*Justin is 17 yrs. old and he dropped out of Permian High School in the 9th grade. His mom struggled to get him to class at PHS. His mom brought him to Catholic Charities to get enrolled in our GED Prep class at the beginning of March. She called me one morning to tell me that \*Justin did not want to come takes his tests, that he said that he thought school was pointless and a waste of time. I told her to try and convince him to come and that I hoped to see him that afternoon. That afternoon, \*Justin and his mom arrived. I welcomed him with a big smile and tried to help his mom change his mind. I asked him what he wanted to do in the future, and he said that he wanted to be a realtor. I advised him that a GED is required to become a licensed realtor. I explained that our classes are designed to meet him where he's at to ensure his success in our program. He did stay, after that first day, I walked him out and told him that I hoped to see him again. I believe that giving each student an individualized curriculum is what helps them be successful in my class. Yes, it is more work for me to keep up with because every student is working on different chapters in different subjects, but we are not here for what is easy for us. We are here to serve those who need us, just like Justin. He needed one-on-one help and that daily dose of confidence and motivation. He realized that he has a future, now whether it is good or bad is up to the daily choices he makes. \*Justin has showed up every single day since then. 😊 I have high hopes for him.
