St. Elizabeth Ann Seton Church would like to cordially invite all with disabilities and their families to a sensory friendly Mass on Sunday, January 18, 2026, at 4:00PM. The lights are dimmed and the music is subdued. Our liturgical ministers and hospitality are those with disabilities or their family members. Mass will be followed by refreshments and fellowship. For all to be able to attend, our Masses are now offered on the third Sunday of the month. Hopefully with this change we will increase our attendance so that we can offer additional services. If you would like to help at Mass or have any questions, contact Cheryl Brooks at 817-980-4707. Please spread the word and pray for those with disabilities.

St. Margaret of Castello, patron saint of the disabled, pray for us!

Did you know that?

- Approximately 15% of the world's population lives with some form of disability.
- In the U.S., over 61 million adults have a disability, representing 26% of the adult population.
- The prevalence of disability increases with age; about 50% of adults aged 65 and older report having a disability.
- Mobility impairments are the most common type of disability, affecting around 13.7% of adults.
- People with disabilities are more likely to experience unemployment, with a rate of 8.6% compared to 3.7% for those without disabilities.
- Access to healthcare is a significant issue, with individuals with disabilities facing higher rates of unmet medical needs.

Ministry to The Sick
