Oh, by the way...

As we come near to the close of the current diocesan appeal, Fruitful Harvest 2016 “Stewards of Christ...Sharing Our Gifts”, please remember if you have a current pledge balance that all gifts must be received and posted no later than 1 September 2018 in the Fruitful Harvest Office. In reviewing the list, there are a number who need to catch up!) The last redemption notice will be mailed in August 2018 for those parishes that have a 20 month redemption period. If you wish to make a gift electronically please visit the diocesan website at [www.dol-in.org](http://www.dol-in.org). Thank you for your continued stewardship and prayers to your parish and the Local Church.

The Frassati Society of Young Adult Catholics (or **Frassati** for short) is a fellowship of young adults who desire to live a life of holiness, in imitation of Our Lord Jesus Christ, within our modern era. Located in central Indiana as part of Our Lady of Mount Carmel Parish, Frassati is composed of men, women, religious brothers and sisters, and priests.

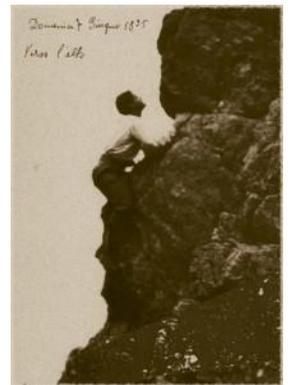

We accomplish our dynamic ministry through several, weekly-meeting cell groups: focused communities of up to 16 members. Our society grows as each cell group invites and welcomes new members, then divides once the group begins to overflow—similar to our human cells. In this

way, the interconnected cells can live the New Evangelization as Pope Benedict XVI defined it: “New evangelization must surrender to the mystery of the grain of mustard seed and not be so pretentious as to believe to immediately produce a large tree.”

Frassati members commit to imitating the life of Blessed Pier Giorgio Frassati. Taking to heart his words, “**The higher we go, the better we shall hear the voice of Christ,**” our ministry encourages prayer, study, and lively engagement with others and with the Church. Through this, we find and become the light of Christ.

If you are college-age, or in your 20s or 30s, we welcome you to join a cell group and to attend Frassati Society events.

## U.S. CONFERENCE OF CATHOLIC BISHOPS RELEASES NEW EDITION OF ETHICAL AND RELIGIOUS DIRECTIVES FOR CATHOLIC HEALTH CARE SERVICES

WASHINGTON— The United States Conference of Catholic Bishops (USCCB) is publishing the sixth edition of the *Ethical and Religious Directives for Catholic Health Care Services*, a revision that implements modifications regarding collaborating with non-Catholic partners.

The health care system in the United States is marked by both extraordinary challenges and immense possibilities for good.

In these revised Directives, approved by majority vote during the USCCB Spring General Assembly 2018, the bishops reaffirm the Church's commitment to Catholic health care ministry, in faithful imitation of Jesus Christ, the Divine Physician. The Directives aim to reaffirm ethical standards of behavior and provide authoritative guidance on moral issues that face health care today.

This new edition offers a helpful update of Part Six, "Collaborative Arrangements with Other Health Care Organizations and Providers." This section offers background and guidelines for collaborative arrangements between Catholic and non-Catholic health care institutions.

The Directives are especially relevant to institutionally based Catholic health care services, and they are directly addressed to "sponsors, trustees, administrators, chaplains, physicians, health care personnel, and patients or residents" of Catholic health care institutions. The Directives are also useful as a teaching tool to give sound guidance to students and faculty at Catholic medical schools, Catholic medical associations, Catholic hospitals and medical facilities, and to all pastors, administrators, doctors, nurses, and staff involved in the health care ministry and related pastoral care.

4. Blankets will be furnished for those who complain that the church is too cold. Fans will be on hand for those who say the church is too hot.
5. We will have hearing aids for the parishioners who say, "The pastor doesn't talk loudly enough." There will be cotton for those who say, "The pastor talks too loudly."

9. One section of the church will have some trees and grass for those who see God in nature, especially on the golf course.
