

MARY, OUR MODEL IN ORDINARY LIFE

"We can't forget that Mary spent nearly every day of her life just like millions of other women who look after their families, bring up their children, and take care of their houses. Mary sanctifies the ordinary, everyday things -- what some people wrongly regard as unimportant and insignificant: everyday work, looking after those closest to you, visits to friends and relatives. What a blessed ordinariness, that can be so full of love of God."

Let us offer to our Mother today: Affectionate details of service and attention to those closest to us."

By listening attentively to the Spirit promised by Jesus (3), the early Church resolves the question whether Gentile converts need to observe certain Jewish ritual practices (1). All are called (Ps) to dwell in the heavenly Jerusalem, founded on the twelve apostles of the Lamb (2).

"The Advocate, the holy Spirit that the father will send in my name - he will teach you everything and remind you of all that I told you.

God created humans in His image, in His divine image He created them, male and female He created them.

Genesis 1:27

REFLECTION. We are created in God's image and likeness. We carry the breath of the Holy Spirit in our hearts and souls. God has given us an incredible dignity.

We must live in that dignity, not settling for anything that would make us less than what God intended us to be.

PRAYER. *May I never do anything that negates the dignity with which You created me.*

SAINT RITA OF CASCIA

FEAST DAY - MAY 22ND

Rita was born around 1381 at Cascia, Italy. Giving in to her parents' request she married. Her husband, an abusive man, was eventually murdered, victim of a family feud. When her two sons expressed the desire to avenge his death, Rita prayed to God to kill them to keep them from staining their hands with blood. She then lived in a convent of Augustinian nuns in penitence and caring for the suffering. As a sign of her particular devotion to the Passion, a wound appeared on her forehead that was similar to that caused by a crown of thorns. She died in 1457 and was canonized in 1900. She is depicted in the Augustinian habit; there is the wound in her forehead and she adores the crucifix amid roses. The "patron saint of impossible causes and situations," she is invoked against smallpox and natural calamities and by women desiring to have children. Protector of Grocers and salami vendors.
