**ALL parish activities, events, and meetings at Good Samaritan must be planned by making a reservation for the space to be used**  
Reservations are only made by the leader of the ministry, and start at the office with an application. Applications are approved by Fr. Starr and placed on the parish facility calendar. (even if it's an outdoor space or parking lot)  
NO approval = NO event or activity  
Coordinated events are essential so that all individuals and groups have access for their planned time and proper guidelines or training for anything needed. This provides safety and security for the attendees, ensures proper cleanup and care for the facilities and the furniture and equipment.  
Call, email, or come to the office to start your next event or meeting.
