ST JOHN THE BAPTIST DE LA SALLE-APRIL 7

St. John Baptist de La Salle believed in the power of education to transform lives and bring about positive change in society. His teachings emphasized the importance of love, patience, and understanding in the process of educating young minds. By incorporating his quotes into your daily life, you can gain wisdom and inspiration to become a better educator, leader, or individual.

"Treat each student as a unique individual with their own strengths and challenges."
