He cured many who were sick with various diseases, and he drove out many demons, not permitting them to speak because they knew him.

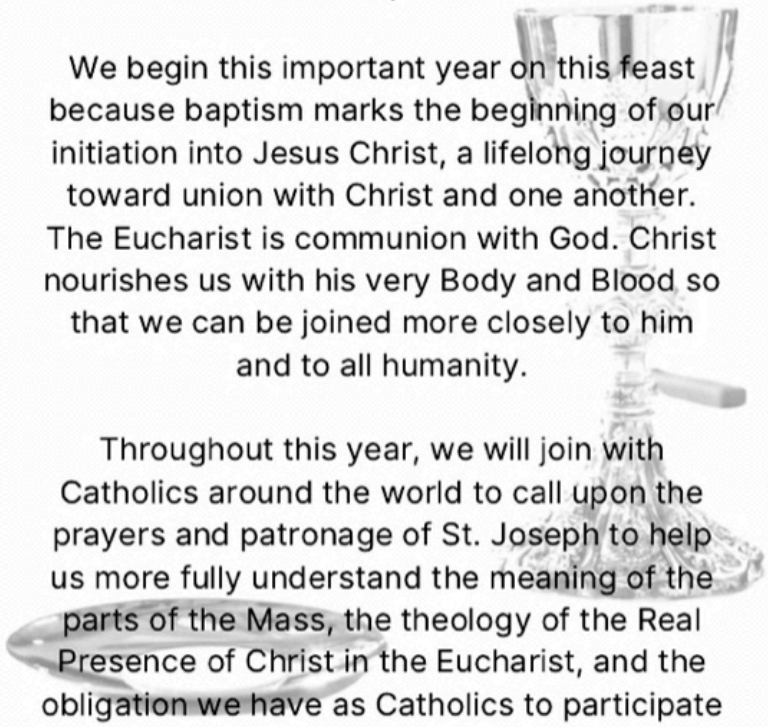
# YEAR OF THE EUCHARIST

## *and honoring St. Joseph*

## 2021

Beginning on the Feast of the Baptism of Our Lord, January 10, 2021, the local Catholic Church has entered into the Year of the Eucharist, a time of renewal, healing, and communion. This year is dedicated to helping all of us, clergy, religious, and laity, grow in our relationship with Christ.

We begin this important year on this feast because baptism marks the beginning of our initiation into Jesus Christ, a lifelong journey toward union with Christ and one another. The Eucharist is communion with God. Christ nourishes us with his very Body and Blood so that we can be joined more closely to him and to all humanity.



Throughout this year, we will join with Catholics around the world to call upon the prayers and patronage of St. Joseph to help us more fully understand the meaning of the parts of the Mass, the theology of the Real Presence of Christ in the Eucharist, and the obligation we have as Catholics to participate in Mass on Sunday.

As the universal church observes a special Year of St. Joseph as proclaimed by the Holy Father, we in the Archdiocese of New Orleans call upon St. Joseph's powerful intercession to bring us closer to Jesus in the Eucharist.

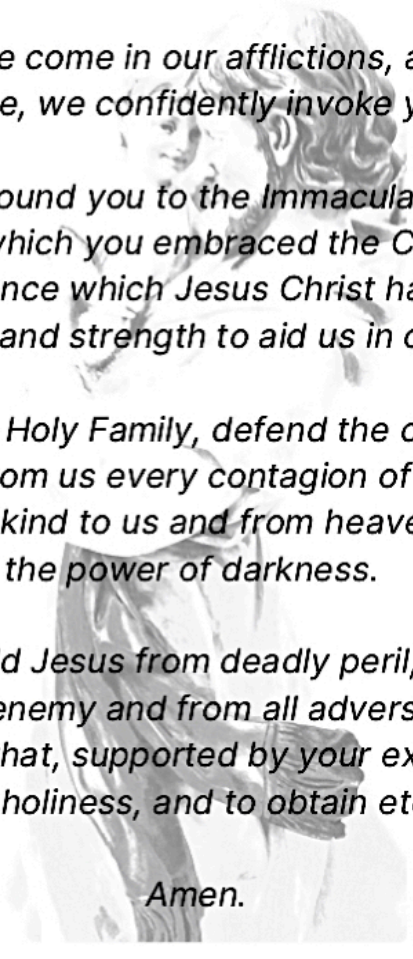
## *A PRAYER FOR THE INTERCESSION OF ST. JOSEPH*



*To you, O blessed Joseph, do we come in our afflictions, and having implored the help of your most holy Spouse, we confidently invoke your patronage also.*

*Through that charity which bound you to the Immaculate Virgin Mother of God and through the paternal love with which you embraced the Child Jesus, we humbly beg you graciously to regard the inheritance which Jesus Christ has purchased by his Blood, and with your power and strength to aid us in our necessities.*

*O most watchful guardian of the Holy Family, defend the chosen children of Jesus Christ; O most loving father, ward off from us every contagion of error and corrupting influence; O our most mighty protector, be kind to us and from heaven assist us in our struggle with the power of darkness.*

*As once you rescued the Child Jesus from deadly peril, so now protect God's Holy Church from the snares of the enemy and from all adversity; shield, too, each one of us by your constant protection, so that, supported by your example and your aid, we may be able to live piously, to die in holiness, and to obtain eternal happiness in heaven.*

*Amen.*

## STATEMENT ON
## COVID-19 PFIZER AND MODERNA VACCINES

Our national and international news continues to be filled with reports surrounding the approval, availability, and arrival of COVID-19 vaccines. In many respects, this is indeed good news which brings with it a great sense of hope and optimism as the world continues to face a health crisis.

With these recent and ongoing developments, the worthy question of the ethical nature of such vaccines along with whether or not it is morally permissible to receive them, has already been and continues to be raised. This is both a complex and highly delicate issue as it generally focuses on whether or not the vaccines were developed in such a manner that utilized cell lines from aborted babies.

A thoughtful, detailed evaluation and analysis of this question has been completed by the United States Conference of Catholic Bishops' Committees on Pro-Life and Doctrine stating that the two vaccines produced by Pfizer and Moderna only are found to be "morally justified." Their extensive conclusion is offered below:

> *"The world is currently facing a health crisis. The number of deaths from COVID-19 is now almost one and a half million worldwide. In the United States, the toll is approaching 300,000. Given the urgency of this crisis, the lack of available alternative vaccines, and the fact that the connection between an abortion that occurred decades ago and receiving a vaccine produced today is remote, inoculation with the new COVID-19 vaccines in these circumstances can be morally justified.*
>
> *For our part, we bishops and all Catholics and men and women of goodwill must continue to do what we can to ensure the development, production, and distribution of a COVID-19 vaccine without any connection to abortion and to help change what has become the standard practice in much medical research, a practice in which certain morally compromised cell lines are routinely used as a matter of course, with no consideration of the moral question concerning the origins of those cell lines."*

As individuals consider whether or not to receive these vaccines, we remind the faithful to exercise prudence while consulting with their personal health care professional.

Saint Michael the Archangel,
defend us in battle.
Be our defense
against the wickedness and snares
of the Devil.
May God rebuke him,
we humbly pray,
and do thou,
O Prince of the heavenly hosts,
by the power of God,
thrust into hell Satan,
and all the evil spirits,
who prowl about the world
seeking the ruin of souls.
Amen.
