Response to CoronaVirus Threats

The diocese requests our being diligent in preventing any threat of passing on this virus or any illness in our practice of attending Mass. The following things are important to consider:

1. Refrain from extending hands at the sign of peace. (Instead, wave or gesture this desire to others without physical contact.)
2. Receive communion carefully. If you receive Jesus in your hand be sure your hands are clean, be sure the palm of your hand is flat so Our Lord may be placed there without making contact with the rest of your hand. If receiving by mouth, be sure to open your mouth wide enough and extend your tongue so that Jesus can be communicated without contact.
3. Washing hands carefully.
4. Staying home when you feel ill
