Some Upcoming Events:

- **First Communion:** Father is asking for the First Communion candidates to contact him or Deacon Monty and arrange for a Weekend Mass that they and their families can attend in order to receive First Holy Communion. They must receive First Penance / Confession before they receive First Communion. Fr. Gallagher hears confessions prior to the 4PM Mass on Saturdays or by specific arrangements with him.

Pandemic News

-Thank you for your patience during this time when the churches were closed. Please be patient with us as we here on the parish level must follow directives from several other people before we issue them to you. If you are unable to attend Mass the bishop continues the removal of the obligation attached to weekly Mass so you do not have to confess it now or since you were last at Mass the weekend of March 16th. Be sure you follow the signs and the directions of those in place to help you at this time. Please be strong and do not approach Fr. Adrian or Deacon Dennis with advice on what would be better in responses to this pandemic. We have no choice...what we are doing is decided by others and we have no choice nor any authority to change what is expected of us. Thank you.

-Thank you for all who have been so thoughtful and responsible in providing for the Church's expenses during this difficult time. Since we cannot have an offertory collection as usual we ask that you put your offering in the provided standing box near the baptismal fonts of each church. Thank you again for your support.

- Fr. Adrian would like to have a parish "end to the pandemic" party outside under the pavilion on the parish properties. If you would be interested in helping him plan this event, please let him know.
