2020-2021 Bishop's Appeal Start Up: In the name of the bishop and in my name as your pastor I thank you who contributed so generously to last years appeal. The care of others in our diocese is important and sharing with other parishes in meeting this demand is also important. This years goals per individual parish will remain the same given the economic tensions of covid-19. Therefore, Holy Angels goal is \$5,660.00 and St. Ann's goal is \$16,461.00. Please be a generous as you are able.

Covid-19: We can be proud of the seriousness and consistency with which all of your coming to Mass have taken the challenges of this time. Thank you for help in sanitizing the pews and other surfaces following Mass. Please continue to be cautious and careful so that we do our part in not passing on or contracting this virus.

Harvest Dinner and other fundraising: Many parishes in the area are having their Harvest Dinner as a "take out" event only. Due to many difficulties we have decided not to have this event in either parish this year. As far as regular fundraising; we are operating with the presumption that all is cancelled until there is a safe resolution to Covid-19. Thank you for contributing to the expenses incurred regularly at your parish. Because of our lack of ability to do fundraising your are invited to make a contribution of your choice to help offset what would otherwise be a complete loss. Please place your contribution in an envelope marked: MY FUNDRAISING CONTRIBUTION and place it in the collection box where you attend Mass. Please also put your parish name on the envelope so that your parish is given correct dispersion of your gift. Thank you.
