**NATIONAL VOCATION AWARENESS WEEK**  
(November 5th-12th)

“The way Jesus shows you is not easy. Rather, it is like a path winding up a mountain. Do not lose heart! The steeper the road, the faster it rises towards ever wider horizons.” (St. John Paul II). Jesus did say, “My yoke is easy; my burden is light.” As we celebrate National Vocation Week, November 5-12, the Church takes this opportunity to reflect on the call to holiness given to us at the time of our Baptism. We believe, as Catholics, that God has a plan for our lives! He calls some to marriage, some to the priesthood, others to the consecrated life or to live as generous single people. As we live our own vocations faithfully, let us encourage and teach our young people how to discern God’s call. Let us pray for the children, grandchildren, students, and friends to be open if God calls them to priesthood or consecrated life. . For more information regarding Vocations, you can go to the Diocese of Ogdensburg website.
