**FOR YOUR SAFETY:** Holy Angels pedestrian crossing now has a safety light. There is a button at either side of the crossing. Please press the button to start this light when coming to Mass or leaving. This will start the strobe light on which warns drivers to slow and be cautious.

We will celebrate the Solemnity of Christ the King on Sunday November 26th, 3PM at St Ann's church. Activities will include Adoration of the Blessed Sacrament and a Penance service.

Cold weather precautions are now in place. Daily mass will follow the published schedule and will be cancelled in those cases when either Northeastern or Northern Adirondack school are closed or have a delayed opening.

Also, Preparations for the cold weather include protection of the St. Anns church toilet drain. To protect this pipe from freezing haybales have been placed over the path of the pipe.

This will prevent use of the driveway between the church and the rectory for the duration of the winter. We are sorry for this inconvenience. Hopefully, this precaution will allow use of the church toilet during the winter.

Religion Classes this Sunday following the schedule
