

WORLD MARRIAGE DAY, NATAIONAL MARRIAGE WEEK

World Marriage Day, the second Sunday of February, and National Marriage Week USA (February 7 – 14) are observed annually in dioceses and parishes throughout our country as an opportunity to focus on building a culture of life and love that begins with supporting and promoting marriage and the family. This year's theme, "Marriage...one flesh, given and received" highlights the one-flesh union of husband and wife that is willed by God. It also indicates the personal self-gift of each spouse, one to the other. These concepts point to Christ who gives Himself under the appearance of bread and wine—as real flesh and blood.

When fasting, a person is permitted to eat one full meal, as well as two smaller meals that together are not equal to a full meal. The norms concerning abstinence from meat are binding upon members of the Latin Catholic Church from age 14 onwards.
