Parish Cemetery Observations

During the summer months we have many visitors to our Cemeteries of St. Louis, Holy Angels, St Joseph and St Ann.  
We are very proud of these resting places for our deceased and strive to protect your investment in the monuments and grounds.  
Occasionally, there are visitors whose behavior is disrespectful.  
We ask for vigilance. Should you observe inappropriate actions, please call the authorities.

In Prayer

We keep in prayer for the sick and infirm of our parishes. We pray and work for peace in our homes and our world; for unity among all Christians; the victims of oppression, prejudice, violence or hate; for a greater respect for all human life, from conception to natural death; and for all the faithful departed: June Trombley

Please pray about this, and allow the Holy Spirit to guide you.

Sunday Reflection for July 14th

This is our prayer for the week. "Lord, let us see your kindness, and grant us your salvation." We need the Lord's face in our hearts, families, church, and the world. When we sincerely seek the face of God in all our difficulties and challenges, he will reveal his glory to us and change our story. In what situation do you find yourself either physical, spiritual, social or economic? The question is, do you want the Lord to hear you/us, then let us raise our voices in supplication that the Lord will show us his kindness and grant us his salvation. When the mercy of the Lord is upon us, our land will produce more increase. The Lord will bless all that our heart desires. Let us continue to seek the kindness of the Lord in all we do, for the glory of his holy name.
