ONE PASTORAL CARE AREA

Let us all together pray, as one Parish, as we face challenges in our Diocese especially the creation of One Pastoral Care Area which includes, Mooers Forks, Altona, Ellenburg and Lyon Mountain. May the Good Lord help us accept with great faith whatever challenges we face, and help us be ready for whatever happens for the good of His Church.

CALLED BY NAME

REMINDER: Today is the day to submit your CALLED BY NAME response card. Please place it in the collection basket or return it to the parish office. Continue to pray for vocations and for the success of this initiative in our parish and throughout the diocese.

In Prayer

We keep in prayer the sick and infirm of our parishes. We pray and work for peace in our homes and in our world; for unity among all Christians; the victims of oppression, prejudice, violence or hate; for a greater respect for all human life, from conception to natural death; and for all the faithful departed: **Doug Gallagher, Becky DeBiase.**

NO Religion Classes Sunday October 19th

The St. Ann's parish hall septic system must be replaced. The original tank (1928?) was made of steel and had completely rusted away. When excavation began to replace the tank, we discovered that there was no leach field for the system. Fortunately, the soil around the tank provided excellent drainage. However, to meet Department of Health regulations it is necessary to install a new system. Installation includes a new tank, a percolation test, and an engineering design specific to our site and usage followed by a drain field installation. This past week a new concrete tank was installed and, in the week to come, the drain field will be installed in the ground opposite the hall. Estimated cost is \$8,250 for labor, fees, and materials. This was an unplanned and unexpected expense for the parishes. Please consider a donation to help defray the cost of installation. A second Collection next week, October 26th, and on November 9th and 16th will be used for this purpose. Thank you.

DIOCESE OF OGDENSBURG PRAYER FOR VOCATIONS

Lord of the harvest,
we raise our voice in prayer
begging for generous hearts
willing to respond to Your call
to labor in Your vineyard today.

The need for laborers –
for priests, deacons, and religious
in this local Church is great.

Provide us with men and women
whose hearts are centered on the Eucharist
and whose desire is to lay down their lives
so that the people of the North Country
and beyond, maybe

"Christ-led, Christ-fed, and Hope-filled."

Through the intercession of Mary,

Queen of the Apostles,

grant a new outpouring of your Holy Spirit

on our Diocesan family, so that we may truly grow as the Body of Christ.

This prayer we make
in the name of Christ, our Lord.
Amen.

October 2025

Dear Sisters and Brothers in Christ,

As we approach World Mission Sunday on October 19, 2025, I write to you with deep gratitude for your dedication to the mission of the Church to bring the Gospel to the ends of the earth.

This year's theme, *Missionaries of Hope Among the Peoples*, invites us to rediscover our role as bearers of hope rooted in Christ. It is especially meaningful that this World Mission Sunday will be the first under the pontificate of Pope Leo XIV, who spent most of his priestly ministry as a missionary in Peru, serving communities in the Andean highlands and rural villages, always with humility, joy, and pastoral closeness.

Pope Leo XIV has called The Pontifical Mission Societies "the primary means for awakening missionary responsibility among all the baptized [and for] supporting ecclesial communities in areas where the Church is young." His words encourage us to recognize our vital role in sustaining the life and growth of the Church in mission territories across Asia, Africa, Latin America, Oceania, and parts of Europe and the Middle East.

It is a moment for every parish, in every country, to focus on the missionary nature of our faith and to support the 1,124 mission territories that depend on the Pope for spiritual and material aid. Last year alone, The Pontifical Mission Societies helped build nearly 1,000 churches, provided formation to 2,948 seminarians, supported more than 258,540 religious sisters, and equipped 843,785 catechists to evangelize in communities without a regular priestly presence.

The United States was once a mission territory, built through the sacrifices of missionary priests and the support of Catholics around the world. Let us now return the favor and help those that struggle in our world today.

The collection we take up on World Mission Sunday is not just financial—it is a living sign of our communion with the global Church. It supports the formation of seminarians, religious sisters, and catechists; the building of chapels, schools, and clinics; and the ongoing evangelization of peoples who may be hearing the Gospel for the first time.

Let us pray that the Holy Spirit will renew in us the fire of the early Church, that we might become true Missionaries of Hope, and that our faithful may grow in missionary awareness and solidarity.

Gratefully yours in Christ,

Most Reverend Terry R. LaValley
Bishop of Ogdensburg
