## Follow the Father's Will

By: Joshua Kapika

The best yet most difficult way to get to heaven is to simply follow the Father's will. In today's gospel Jesus offers a parable about a father and his two sons. The Father approached both sons and asked the same question, but each answered differently.

The first son told his father no, but did so anyway. The second although he said yes he didn't do what his father asked him.

Jesus gave us a path to follow. He lived his life on earth that we might have an example by which to look to, but many of us chose to walk the path of life on our own.

Jesus reminds both the Pharisees and us today that we must follow the will of God. Jesus for his entire life followed the will of God even to the point of death. He knew what the Father wanted and he obeyed.

It is difficult because of our fallen nature to follow God's will. We are often tempted and led astray by the promises of the world. We give in to the lies and deceit of the evil one, but this does not mean we are forsaken.

As we learned from scripture over that past few weeks God's mercy is forever and it is there for all who seek his forgiveness. The only thing God asks from us that we do his will.

We can begin to follow the will of God by spending more time with him in prayer. The more time we spend with God the easier it is to recognize him in our daily lives. It is easier to tell the difference between the voice of God and the voice of the enemy.

We must not be like the Pharisees and speak one way yet fail to do as God commands. We must instead recognize our shortcomings and seek the mercy of God and do as the Father commands.

## St. Michael COVID-19 Response Guidelines

St. Michael Parish since the outbreak of the pandemic in Hawaii has been dedicated to ensuring the safety of all its parishioners and the greater North Shore community. We continue this commitment by following the guidelines set forth by our Diocese, State and County Officials and the CDC.

The celebration of public mass has been permitted under strict safety guidelines. The following are the guidelines created by our parish for our unique situation.

- ♦ The obligation to attend mass on Sunday continues to be dispensed through October 31, 2020
- ♦ Live-stream mass at 11:00am via Facebook live and our parish website will continue to be available for those who wish to attend mass virtually.
- ♦ In order to ensure safe physical distancing we have limited the number of attendees to each mass. St. Michael Church is limited to 64 parishioners per mass and the Mission of Sts. Peter and Paul is limited to 40.
- ♦ Parishioners should visit eventbrite.com or our parish website to reserve your seat. Those who are unable may call the parish rectory office.
- ♦ Face masks are required throughout the duration of mass.
- ♦ We ask that all who attend mass wash their hands before entering. Two wash stations are available near the church for your convenience.
- ♦ We also encourage everyone to sanitize their hands as often as possible especially before

and after receiving communion.

- ♦ Please refrain from gathering before or after mass.
- ♦ When sharing the sign of peace do so by a simple nod of the head or by a wave.
- ♦ When coming forward to receive communion please maintain physical distance between each other and follow the directions of the ushers.
- ♦ Do not remove your mask until after receiving communion in your hand.
- ♦ Approach the minister in the

usual way. Hold your hand one on top of the other with your palm flat.

- ♦ After receiving it step to the side to the green mark pull down your mask and consume the blessed sacrament. Then put your mask back on and return to your seat.
- ♦ At the conclusion of mass please remain in your seat until an usher has dismissed you.

Let us worship together safely as we continually pray for an end to this pandemic.
