**Praised be Jesus Christ! Now and Forever!  
Live Jesus in our Heart, Forever!**

I am happy to announce that Bishop, after consultation with the Spokane Regional Health District, has decided to allow public celebration of Holy Mass, with some restrictions.

The obligation to attend Sunday Mass is still lifted, so no one needs to feel pressured to come. I look forward to seeing those of you who are able to attend, and hope that there may soon be a day when life can return to normal for everyone.

Bishop's Guidelines are here: <https://dioceseofspokane.org/coronavirus>

If you have any questions about these guidelines please do not hesitate to give me a call! My direct number is 509-487-6363

**LIVE THE LITURGY  
Inspiration for the week**

The flesh is our old self of yesterday and the one we left behind in baptism. It is the self of doubts and fears, sin and error, reluctance, untamed passion, and errors in judgment. It is also the self of missed opportunities and roads untraveled. Although we were baptized many years ago, every day is another day to live, not according to the flesh of yesterday with its regrets and misgivings, but rather to live the life of the spirit of today and tomorrow. The burdens of our personal baggage and of life itself can weigh us down. The love of Jesus Christ and the life of the spirit can pick us up, refresh us, and provide us with the hope for new opportunities and discoveries. Because we have been baptized in Christ, we need not be anxious about what we did or did not do yesterday or anxious about what will come tomorrow. We need only to seek out the love that is before us, around us, and in us and learn.

Watch out for "Spoofing"

From time to time, reports come into the office from people who have received an email from someone in the parish office, almost always from Fr. Pat, asking them to buy something for him/her because he/she is unable to do so for some reason. This is a scam. No one in the office will ever ask you to buy something for them through an email. If you receive such an email, ignore it; you can hover your browser over the address and see that it is not a legitimate address. There is nothing we can do on our end to prevent this; scammers are crafty and sneaky, and very adept at getting hold of a list of emails and "inventing" an email from someone else. The best we can do is educate parishioners about this scam.
