**R**ather than comment on the readings and Gospel for today, I thought I would share a few thoughts about COVID-19. None of us fully understand this illness, and we are getting much conflicting information and a variety of never-ending opinions about the matter. It is here, and we are all dealing with it the best we can. This is the greatest opportunity I have had in my lifetime to take a step back and think about the current situation and “modern” day life. First, we must remember that God is in control, He always has been, and He always will be. He does not desire bad things for His beloved children and creatures. He loves us all and desires our salvation - every single one of us! I hear people talking about punishment from God and I hear people talking unceasingly about politics. I see fingers being pointed, and I hear criticism after criticism. Like so many other things in life, COVID-19 has brought out the best and the worst in people. What really matters though, is the state of our souls. As Catholics, we believe it is critically important to be in a state of grace and to exercise charity. We would be wise to use this strange time to grow our spiritual lives and our relationship with the Lord, especially through an increasing prayer life. If nothing else, take 15 to 20 minutes each day to sit in quiet with Jesus. Pour your heart out to Him. He loves it when we do that. Also, open your Bible. What better way to understand what God is asking of you at this time in your life? The Scriptures speak to us corporately and individually. God is always calling out to His children. We just need to get better at being attentive to those calls and better at listening! If God has a hand in this virus, then it is to bring us back to Him. Again, He always desires for our good, but sometimes He exercises a little discipline. What can we do right now to search for and meet the great needs of those around us? It’s time to rise to the occasion! Hope to see you all in Church very soon! May God bless all the parishioners of St. Louis de Montfort parish.

- Jeff Oelker, Director of Ministry and Operations

# PARTNERING WITH PARISHIONERS

Building Community at St. Louis de Montfort

## What Do We Do?

At St. Louis de Montfort, we're striving to stay connected. Our hope is to connect parishioners spiritually and be a true Body of Christ for one another. Our goal with this is to help our community to grow together by partnering people with calls to check in and pray with and for each other. So what do we do?

## You Will Be Assigned A Person

**Families**—If you are a family, you will be assigned one person to be in contact with, regularly, who is elderly.

**Individual or Couples**—If you are an individual or couple, you will be assigned another individual or couple to be in contact with regularly.

Our hope is that you will be there to emotionally and spiritually support each other. You can do this by calling them and introducing yourself. Our hope is that you will be there to emotionally and spiritually support your assigned person. You can do this by calling them, introducing yourself and your family. Ask them a few questions:

- How long have you been a member at St. Louis de Montfort?
- Do you have family in the area?
- How are you doing?
- What prayers do you need?

Take time to get to know one another.

If the person needs groceries, medications or anything that requires physical contact, please notify the parish office at (317) 842-6778 and leave a message if no one answers. We have links and are setting up systems to do these things. If they need help with technology, to set up grocery delivery or pharmacy delivery, you can walk them through that, if you choose to.

**IT IS IMPERATIVE THAT WE CONTINUE SOCIAL DISTANCING AT THIS TIME.**

The most important thing is to be communicating with each other and being spiritually and emotionally supportive for one another. Many of our elderly do not use social media or have email accounts that are checked regularly. You can help them stay connected and know what is going on at the local community level.

It is also important that we keep a calming quality to our conversations. It is a time to be positive and fruitful in our speech and in our prayers with one another.

**PLEASE DO NOT EXCHANGE ANY FINANCIAL OR PERSONAL INFORMATION OF THAT NATURE!**

If people have financial hardships, need errands run for them or food, again, please notify the parish (317) 842-6778. If no one answers the phone, leave a message. We are checking voicemails regularly.

You can contact the formation staff with any questions or concerns:

## THE LITTLE WHITE BOOK

The Little White Book is meant to help you enjoy six minutes a day in prayer during these next 50 days of the Easter season. It is an opportunity to spend some quiet time with the Lord using one of our oldest traditions of prayer called *lectio divina* - sacred reading. Reflections began Easter Monday, April 13, 2020, end Pentecost Sunday, May 31, 2020. These books can be found in the vestibule of the Parish Office. Pick up your copy while quantities last!

**Do you have a special prayer request? The community at SLDM is here to pray for you. Please submit the prayer request online at [sldmfishers.org](http://sldmfishers.org), or write it in the prayer intention book in the Narthex.**

**STEWARDSHIP: TIME, TALENT & TREASURE**

**Time... Stewardship Reflection**

Mean What You Say

Missouri is known as the “Show Me” state. There seem to be differing points of view as to how this motto came into existence, but today it is said to speak of a people who operate with common sense and are not easily fooled by slick-talking or show. We would be prudent to adopt such a disposition ourselves. To be this way is not really like St. Thomas in the Gospel when he doubts what he clearly sees right in front of him. It is more about holding ourselves to a standard explained in another motto: “Say what you mean and mean what you say.”

If we claim to be Christians, disciples of the risen Jesus, then those around us should be able to tell by our actions. Can someone truly be a disciple of Jesus and not be a good steward of all he has given? Jesus makes himself known to us continually in the Holy Eucharist. When we come together to break bread at Mass, Jesus shows us his love by becoming truly present to us. He is willing to show us. What are we in turn willing to show him?

Every day, Jesus calls us to respond in some way. Our response shows whether we are who we claim: his disciples. I am pretty sure Jesus is not from Missouri, but I know he is not fooled by our half-truths and misguided intentions. He also means what he says and says what he means. Shouldn't his disciples do the same?
