PARISH MISSION STATEMENT
LOVE GOD—MAKE DISCIPLES—
SERVE CHRIST IN THE WORLD

PARISH VISION STATEMENT
ST. LOUIS DE MONTFORT WILL BE
A DYNAMIC WITNESS OF THE
GOSPEL AND LEAD OTHERS TO
EMBRACE THE LOVE OF GOD.

We are so grateful for the opportunity to celebrate ALL Masses publicly again even though we know Mass will feel different. Our goal is to keep our parishioners safe during these trying times.

PLEASE NOTE: THE BISHOPS ACROSS ALL FIVE INDIANA DIOCESES HAVE EXTENDED THE DISPENSATION FROM THE OBLIGATION OF SUNDAY MASS ATTENDANCE UNTIL NOV. 1, 2020.

Everyone must carefully discern the best decision for themselves and their families. If you have a fever, cough, runny nose, or have been exposed to someone who has tested positive for COVID-19, please, in consideration of others, watch the livestreamed Mass from home at facebook.com/sldmfishers. We also encourage "higher risk" parishioners to stay home and participate in the livestreamed Mass.

INDIANA'S STATEWIDE MASK MANDATE IS NOW IN EFFECT, THEREFORE, MASKS ARE NOW REQUIRED AT ALL MASSES.

The order from Gov. Eric Holcomb requires everyone 8 and up to wear a mask or face covering in indoor public spaces. (Children between the ages of 2 and 7 are not required to wear masks, even though the state recommends that they do so.) For more information, please visit: <https://sldmfishers.org/parishnews>

WHAT TO EXPECT AT MASS:

- There will be only one entrance for Mass - the main entrance off Hague Rd. (under the carport)
- Ushers will assist individuals and families to ensure appropriate accommodation with social distancing (6 feet of space between individuals and families—Seating will be every other pew as marked, with families allowed to sit together).
- Because we have reduced seating capacity, once the church is full, we will not be able to accommodate anyone else. Please arrive early.
- Holy water fonts will be empty.
- No books or materials in the pews, however, you may bring missals or prayer books from home.
- Please minimize the use of restrooms. Water fountains will not be available.
- We will have hand sanitizer available but ask that you please bring your own hand sanitizer if possible. Everyone should sanitize their hands upon entering the church and prior to receiving the Eucharist.
- Collection envelopes and donations can be dropped off in the designated baskets as you enter or exit the church since collection baskets will not be passed around during Mass. You are also welcome to give electronically by visiting our Giving Page <https://www.osvonlinegiving.com/131>
- Please do not congregate inside the church after Mass is finished. We will need to have everyone leave the church promptly so maintenance can begin cleaning and sanitizing the church and restrooms.

God bless us all as we continue to grow in our faith.

SEVEN SISTERS APOSTOLATE: PRAYING FOR OUR PRIESTS

A call to strengthen the Church by ensuring that a Holy Hour is prayed each day of the week for the sole intention of a specific priest or bishop—a “holy wasting” (cf. Mt. 26:10) or lavishing of prayer for his deeper conformity to Christ.

If you are looking for a wonderful way to welcome our new priests, Fr. Thomas Haan and Fr. Sean Aaron, the Seven Sisters Apostolate is a beautiful international prayer opportunity for just that. Seven Sisters requires a minimum of seven women, each committed to praying a Holy Hour before the Blessed Sacrament one specific day of the week, for their designated priest, for one year. The Holy Hour does not need to be at a specific time or place so you may pray in Jesus' Eucharistic Presence wherever you may be on your designated day of the week.

A sub will also be available if you are unable to make your Holy Hour for a given week. There are no meetings to attend, although the group may have optional social gatherings. For more information or to sign up to pray for one of our new priests, contact Rosie Zatkulak at 317-294-5553 or rzatkulak@sbcglobal.net. You may also find additional information online at sevensistersapostolate.org.

Stewardship: Time, Talent & Treasure Holy Family Shelter Donation Drive through August 31st.

Greetings! I have decided to organize a donation drive to support the Holy Family Shelter as we are not currently permitted to volunteer in-person. The shelter is a program of the Indianapolis Archdiocese and is located in the northwest section of downtown Indy. It houses homeless families on a temporary basis, providing services to promote self-sufficiency. The shelter has created a list of top ten items needed for August. I believe we can collectively make a difference if each of us donates just one item. Please review the list at the following link/QR Code:

<https://signup.com/go/LRcSqCE>

You can drop items off in the church narthex until August 31st. I will then deliver them to the shelter. If you are unable to leave the item at the church and want to donate, contact me at 317-695-7403, and I will arrange to retrieve it. Thank you for your consideration.

Wellness Corner Presented by SLDM Parish Wellness Committee

Recreational Water Safety

As of now, there is no evidence that COVID-19 can spread to people through recreational water.

- This includes pools, hot tubs, water playgrounds. Appropriate operation of these water settings and disinfection of the water (with chlorine or bromine) should inactivate the virus.
- It is still advised that people limit close contact with those outside of the household when visiting these facilities, as well as when going to a lake, river or ocean – the 6 feet guideline helps ensure safety.

There are germs other than COVID-19 to be aware of too – especially after a heavy rain, as rainwater can pick up human and animal feces and other disease-causing organisms and drain them into swim areas (including sand).

- Stay out of the swim water if it is cloudier than normal or smells bad. It's also good to avoid the water if immuno-compromised or if there is open cut or wound. Germs in the water can get into the wound and cause infection.

When swimming with kids, it's good practice to have everyone get out of the water at least once an hour for bathroom breaks – this helps to keep bodily fluids out of the water.

- It's also recommended to change diapers in bathrooms or diaper changing areas to keep germs out of the sand and water.
