2. Holy Week Feedback *[Discuss]*
 - Holy Thursday: well done, full church
 - Altar of Repose was beautiful
 - Friday services were well attended
 1. Nice that we can have two for flexibility of people's schedules
 2. Might be nice to spread those out a bit due to traffic
 - Palm Sunday procession was nice
 - Gym Mass went well; audio was good
 - People traffic between each Mass...maybe spread them out more?
3. Feast Day Feedback *[Discuss]*
 - Good to have nametags at tables, not when you walk in
 - May want to think about having plates at the food line
 - Drive people to both entry doors for CWH
 - Start dinner once people arrive, might want to say that dinner starts at 7pm
 - Have to-go containers for the end of the night to box up leftovers
 - Food was good
 - Instead of RSVPs, use historical data to estimate (add 5-10% growth; ordered food for 220 this year, likely had 245 this year)
 - Could use a more desserts
 - Open the club for a weekend event (not on a weekday night)
