How do I start a small group in my home?

Everything you need to run a small group in your home can be found on our website under www.sldmfishers.org/small-groups. We would ask that you register your small group so that we can send you information on the weekend retreat that your group will be invited to. Angela and Dcn. Brian are also available to answer any questions you may have.

How do I invite someone to the Rescue Project?

First we encourage you to ask God who He wants you to invite. Then pray for them everyday, that their hearts may be open to God's call. Then you can do a couple of things:

1. Give them an invitation card to Rescue and say "I am going to this, would you join me?" Don't ask them to commit to the seven weeks, just the first session.
2. Tell them how much you enjoyed Rescue and you want to go again. Would they want to come with you?
3. Tell them that you are going to a dinner and talk at your Church and ask them if they would join you.

How can I volunteer to help at Rescue?

We have a website page to volunteer found at www.sldmfishers.org/the-rescue-project or you can contact Angela Exner (contact information below).
