

the **RESCUE** project

Created, Captured, Rescued, Response

We invite you to an evening of community at SLDM

What is the RESCUE PROJECT?

Rescued is a multi-week event of great meals, great conversation and answers to life's tough questions. Fr. Riccardo and the team at ACTS XXIX have formulated a plan to bring people together to discuss foundational questions and how our Faith provides answers to those questions.

Who is it for?

The Rescue Project is intended for everyone from CRHP, active parishioners at SLDM to fallen away Catholics. We encourage people to invite others to be part of the RESCUE evenings. If you do not know anyone at the parish or who may attend, you will be welcomed and brought to a table and introduced to other people at the event.

If you are interested in participating in the RESCUED PROJECT at SLDM please visit our website. Registration is not required but it will help us know how much to prepare for the delicious meals served.
