Celebrating Pentecost

"Brothers and sisters 'No one can say 'Jesus is Lord' except by the Holy Spirit. There are different kinds of spiritual gifts but the same Spirit. There are different

forms of service, but the same Lord. There are different workings but the same God who produces all of them in everyone. To each individual the manifestation of the Spirit is given for some benefit."

On this great day we recall a new life given to the apostles and the church, we see the signs of tongues of fire, hear the noise and feel the wind which accompanied the Spirit. That same Spirit has directed the church through twenty centuries with great blessings, trying difficulties, but always manifesting an abiding presence.
