## Next Week is World Mission Sunday!

Pope Francis' message for World Mission Sunday 2018 is, "Life is a mission." Not only, do we celebrate one Sunday a year for our poor brothers and sisters, and exercise our vocation to be missionaries, but we

actually celebrate who we are, in the sight of God. Our Pope continues in his letter, "Every man and woman is a mission; that is the reason for our life on the earth." In our mission, we are attracted to the love of God for all creation and sent to support and love all that we are attracted to. This two-fold mission is a constant challenge which can only be fulfilled by reaching out from the depths of our hearts to those brothers and sisters in need.

I am sure that you would agree with me, that we all struggle with being hopeful in the sight of the numerous tremendously difficult circumstances faced by people throughout the world. With God's help we can move beyond this initial feeling to live out our missionary vocation and really help others. Please help your people to never think they have nothing to offer or nobody needs them. Many people need them.

*"I thank my God, through Jesus Christ, for all of you." (Romans 1:8)*
