Father's Day Prayer

God our Father,
You govern and protect your people and shepherd them with a father's love.
You place a father in a family as a sign of your love, care, and constant protection.

May fathers everywhere be faithful to the example shown in the Scriptures:
steadfast in love, forgiving Transgressions, sustaining the family, caring for those in need.

Give your wisdom to fathers that they may encourage and guide their children.
Keep them healthy so they may support a family.

Guide every father with the Spirit of your love that they may grow in holiness and draw their family ever closer to you.
Amen

REFLECTING ON THE GOSPEL

On the feast of the Most Holy Trinity we read from the Gospel of John, some modern readers of the New Testament are often surprised that the word "Trinity" does not appear in the Bible at all, not in the New Testament and certainly not in the Old Testament. The term "Trinity" is a Latin-based word from *trinitas*, meaning the number three or a triad. It can also mean the state of being threefold, or triple. It's a term that later Christian theologians, particularly in the patristic era, coined to talk about God, and the relationship of Father, Son, and Spirit. So, though the New Testament has many texts that speak of God the Father, the Son, and the Spirit, it never refers to them as Trinity.

Today's reading is one such where Jesus the Son is speaking, making reference to the Spirit of truth and to the Father. As such, this is one of many tests that church fathers used to develop the theology of the Trinity. And that theology developed over centuries with many roadblocks, hurdles, and missteps, but also many advances, developments, and clarifications along the way. One conclusion from the theological developments is that the doctrine of the Trinity is sophisticated, subtle, and worthy of reflection. There is a dynamic relationship between the three "persons" of the Trinity that is pressed in a variety of ways in different scriptural passages. Today's passage from John gives us some of the subtlety of the relationship among the three that will be explored for centuries.

In this passage, we have the "Spirit of truth" rather than the more standard or classical, Holy Spirit. And the spirit of truth has a particular role, which is to guide the disciples to truth, speaking what is heard from the Father and the Son. The Spirit of truth also glorifies the son. He takes from the Son, who has everything the Father has, and declares it to the disciples. This is only a four-verse passage! Consider how much more there is in the New Testament about the relationship between Father, Son, and Spirit! Rather than a mathematical formula to be explained and known, the Trinity is a shorthand expression for the dynamic relationship between Father, Son, and Spirit. We ponder this relationship and we will never exhaust it. We drink from the wellsprings of scripture, which never run dry.

LIVING THE PASCHAL MYSTERY

One challenge we have in discussing the Trinity is that we've been given so many images and metaphors for it. For example, it's been said that St. Patrick used the shamrock, a three-leaved clover, to teach the natives about Trinity. But of course God is more than three leaves, and each "person of the Trinity" has a more dynamic relationship than leaves on a shamrock. Some church fathers used the image of the sun for the Trinity, saying that the Father was like the sun itself, the Son the light, and the Spirit the heat. All three are in dynamic relation, but the sun itself is primary. This is a better image than a shamrock, but expresses the three persons as inanimate objects. Something similar happens when modern thinkers imagine the Trinity as the three modes of water in a liquid, solid, and gaseous state, but all at once!

The many images of Trinity and each of them incomplete in one way or another contribute to a fundamental challenge in discussing Trinity. Ultimately, it is best to go back to Scripture itself, and let that inform our understanding, which we do today by reading from the Gospel of John.
