

ST. JOHN VIANNEY NEWSLETTER

AUGUST 2025

Dear SJV Families,

We are hitting our stride now! This week we have started Star testing in grades K through 5. We ask that during this week you double check that snacks and water bottles are packed so we can focus on our reading and math skills rather than our rumbling stomachs. We must be more vigilant in the parking lot to keep our students and families safe. Please do not wait in the parking lot for pick-up. All families must visit in the fire lane to allow traffic to leave. In the mornings, we have to continue to pull past the front door and mind the crossing guards. We are all trying to make that 7:40 drop-off so please help by using the firelane safely without passing, following the crossing guards, and using the parking lot if needed.

In this newsletter you will notice a Safety Tips page. We will continue to share information to help parents with the many influences facing our students. This month we are looking at the web-based game, Roblox. This platform, although offering many parental controls, is riddled with mature influences. Please explore the information from Protect Young Eyes to help setting strict parental controls to keep our children safe. Many of our families still need to visit our new page on our website: the volunteer page. This page will contain the sign-ups we will use for our volunteer opportunities. We rely on your commitment to the school, and it is this bond between home and school that makes this school a community, a family environment.

We will see you tomorrow when we share all we are accomplishing and our future goals.

Thank you for all you do,
Mrs. Heidi Miller

Volunteering:

A reminder to check your email, or visit www.pointapp.org to find ways to help our school. Grades kindergarten through 8th grade have required volunteer hours, and this application will make finding volunteers and tracking your hours so much easier. If your group needs to rally the troops, please contact the office to learn how to create and publish a volunteer opportunity. This application will track hours and offer notifications to your crew. Also, please complete or update your Virtus background check and class completion to volunteer in the school. We have many who have not signed up yet! Please follow the link to join our school.
