Dear Saint Eugene School Families,

We are excited that your family will be part of Saint Eugene School for the 2026/2027 academic year. As we prepare for the upcoming year, we would like to share an important update regarding tuition. While we have tried to keep the increase in tuition to a minimum, operating expenses have increased while amounts raised through various fundraisers has decreased. We have no other option than to raise tuition.

Please know that there is substantial financial assistance available for those families who apply and qualify through FACTS. Qualifying families may see a significant decrease in the published tuition rate. Please apply as soon as possible; once funds are distributed, no more are available.

We are committed to making a Saint Eugene School education accessible, and look forward to preparing your child/children for success.

Sincerely,

Reverend Joseph McDermott
Pastor

Mrs. Diana R. Thompson M.Ed.
