### ABOUT CHOICE CLINICAL

Choice Clinical Services understands that each individual brings their own set of needs, challenges and strengths to the therapeutic relationship. For this reason, our clinicians are trained in treating a wide range of diagnoses. You will be paired with a CCS clinician that is best suited to meet your individual needs, and assist you reaching your goals and making positive personal changes.

#### Telehealth Services

Telehealth is HIPAA compliant and a multi-faceted health ecosystem that aims to empower providers to deliver a more convenient and personalized service. Telehealth is a practical solution to improve care coordination, provide effective therapy, and meets patients at their convenience during COVID when in-person care may not be possible.

#### Individual & Family Therapy

Clinicians are trained in a wide array of diagnoses, modalities and needs to address behavioral challenges, mood disorders, anxiety, personality disorders, psychotic disorders, and social and emotional needs. If you are need of a safe space and support, we have a clinician for you!

#### Medication Management

We understand that that medication is a complex decision. Each patient will work with their clinician to determine if medication is right for them and how it works in tandem with their therapy. Managing medication is often critical in treating acute and chronic health issues and helps with the healing process.
