Good afternoon HRS Families,

As we are nearing the end of the first academic quarter, we are reaching out to remind families of our Student Dress Code and Self-Discipline and Student Conduct Policies. Please note that there are no regulations on winter/summer uniform start dates, as we know that the weather is unpredictable. Please dress appropriately for the weather. Below please find a summary of the Student Dress Code which can also be found on pages 29 - 31 of the [Holy Redeemer Handbook](#).

At Holy Redeemer it is our mission and belief that every student deserves academic success in a safe and welcoming school environment. In collaboration with you, as parent/guardian-partners and primary educators of your children, we can help to ensure the mission of Holy Redeemer School. We ask that you review the Self-Discipline and Student Conduct Policies of Holy Redeemer School and that you work with us to support your students. The Self-Discipline and Student Conduct Policies can be found from pages 23 - 28 of the [Holy Redeemer Handbook](#).

STORYTIME STEM-SAINT TRAINING

The stories of the saints inspire us to grow in virtue! This All Saints Day, try picking a saint as a family to learn about and emulate. Can each member of the family find one way to mimic this saint's charism this month, by prayer, fasting, or acts of charity?

(e.g. *Live like St. Dominic with a daily rosary, or like St. Francis by giving alms or volunteering.*)

TIPS FOR PARENTS

- **Make learning about a saint of the day or week a part of your family's routine**, in the morning, after dinner, or right before bed. Share how each saint has a unique way of loving God—and we do, too!
- **Ask for the saints' help.** Make asking for saints' intercession a part of daily family prayer - you can even make up your own litany of saints!
- **Celebrate feast days.** On feast days of particular saints, celebrate with dinner guests, a special meal, or a fun family treat.

ABOUT CHOICE CLINICAL

Choice Clinical Services understands that each individual brings their own set of needs, challenges and strengths to the therapeutic relationship. For this reason, our clinicians are trained in treating a wide range of diagnoses. You will be paired with a CCS clinician that is best suited to meet your individual needs, and assist you reaching your goals and making positive personal changes.

Telehealth Services

Telehealth is HIPAA compliant and a multi-faceted health ecosystem that aims to empower providers to deliver a more convenient and personalized service. Telehealth is a practical solution to improve care coordination, provide effective therapy, and meets patients at their convenience during COVID when in-person care may not be possible.

Individual & Family Therapy

Clinicians are trained in a wide array of diagnoses, modalities and needs to address behavioral challenges, mood disorders, anxiety, personality disorders, psychotic disorders, and social and emotional needs. If you are need of a safe space and support, we have a clinician for you!

Medication Management

We understand that that medication is a complex decision. Each patient will work with their clinician to determine if medication is right for them and how it works in tandem with their therapy. Managing medication is often critical in treating acute and chronic health issues and helps with the healing process.
